E.M.A.S. EKANAYAKA

Software Engineer

About Me

I'm a passionate and detail-oriented developer with a love for learning and solving problems through code. I enjoy building clean, efficient, and user-friendly applications. Whether it's front-end design or back-end logic, I'm always eager to take on new challenges and grow in the tech world

- Leadership

Professional Qualification

- **Special computer Science University Of Sri Jayawardenapura - 2022 - 2026**
- **NVQ-4 Graphic design course National Apprentice and Industrial Training Authority 2021-2022**
- **Diploma in Web Development coursera – 2021**

Education

Special computer Science (2022-2026)

4th year undergraduate
Faculty of computing
University Of Sri Jayawardenapura

G.C.E.(Advanced Level) Examination   2023(2023)

Index no: 3343580   -   Balalla U.B.Wanninayaka school

Physics	B
Combined Mathematics	B
Chemistry	C

G.C.E.(Ordinary Level) Examination   (2018)

Index no: 83634826   -   Galgamuwa U.B.Wanninayaka school

Sinhala	A	Buddhism	A
English	A	Tamil	B
Mathematics	A	Music	A
Science	A	ICT	A
History	A		

Experience

Software Developer – Personal Projects   2021-2022

Created multiple C++ programs including a dynamic student database with add, search, and update features.Built Java-based applications like a recursive Fibonacci calculator with execution time tracking. Used Git for version control and managed code repositories on GitHub.

Front-End Developer – Freelance Projects   2022-2023

Designed and developed responsive websites using HTML, CSS, and JavaScript.Focused on grid layouts, animations, and interactive UI elements.Optimized for mobile and cross-browser compatibility.

Git & Version Control Practitioner   2025

Experienced in managing repositories, handling merge conflicts, and working with multiple GitHub accounts.Familiar with Git commands like clone, commit, push, and branch management.Configured user identities, added collaborators, and maintained clean commit histories.
